GOVERNANCE

GOVERNANCE OF THE \$MEOW TOKEN

The governance of the \$MEOW token follows a Phased Committee-Based Governance Model, evolving with the growth and maturity of the community. This phased approach ensures quick decision-making in the early stages while laying the foundation for long-term transparency and stability.

1. INITIAL FORMATION

• MECHANISM:

In the initial phase, governance committees will be composed of trusted individuals from the Runesbridge Airdrop Guild and the \$MEOW community. These committees will operate opaquely to expedite critical early decisions and establish foundational governance structures.

• COMMITTEE COMPOSITION:

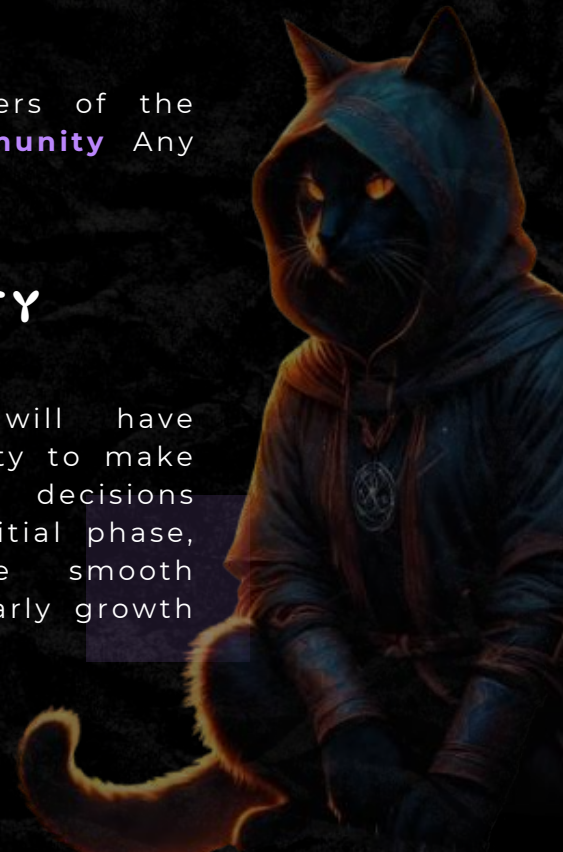

- Members from the **Runesbridge Airdrop Guild**
- Active members of the **\$MEOW community** Any City, ST 12345

• PURPOSE

- Establish foundational governance structures
- Ensure community stability and growth through swift decision-making

• AUTHORITY

- Committees will have broad authority to make necessary decisions during the initial phase, ensuring the smooth launch and early growth of the project.

2. TRANSITION TO TRANSPARENCY

- **MECHANISM:**

As the community grows, transparency and formalization in the committee selection and decision-making processes will be introduced. Committee membership will expand to include broader community representation via a nomination and vetting process.

- **STEPS:**

- ❁ Implement a nomination process where community members can suggest new committee members.
- ❁ Introduce periodic reporting from committees to the community.
- ❁ Document and publish committee decisions and processes.

- **GOALS**

- Increase community trust and involvement in governance
- Establish formal processes and structures for long-term stability

3. FULL TRANSPARENCY AND STRICT GOVERNANCE

- **MECHANISM:**

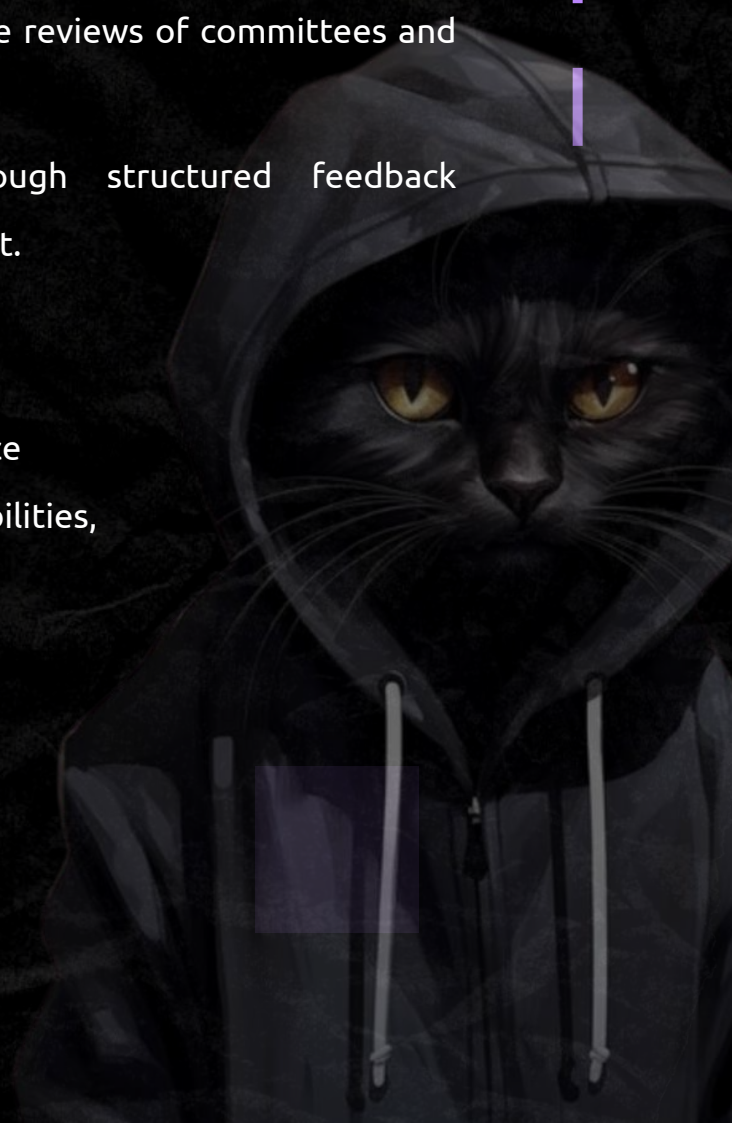

The final phase will transition to a transparent and formal governance model with strict rules and processes, ensuring long-term sustainability and accountability.

- **STEPS:**

- Publish detailed governance documents (bylaws, charters, etc.).
- Establish a transparent election process for committee members with defined term limits.
- Conduct regular audits and performance reviews of committees and sub-committees.
- Encourage active participation through structured feedback mechanisms and community engagement.

- **GOALS**

- Ensure robust and accountable governance
- Provide clear roles and responsibilities, reducing the risk of mismanagement

STAKING AND REWARD SYSTEM

• MECHANISM:

To incentivize participation in governance and reward those who serve on the committees, a staking and reward system will be implemented.

• STEPS:

- Committee members will be required to stake a certain amount of \$MEOW tokens as a commitment to the project.
- In return for their service, these members will receive rewards in the form of additional \$MEOW tokens.
- Rewards will be distributed based on the length of service and contributions to the governance process.

• GOALS

- Ensure robust and accountable governance
- Encourage active participation in governance
- Reward commitment and valuable contributions to the community
- Promote long-term engagement and stability in the project
